

HENDON PRIMARY SCHOOL

OSHC

Dear Parents/ Caregivers

As you are aware, the Australian Government has implemented a range of procedures to support the effort to contain and slow the spread of COVID-19. Whilst the announcement is clear that schools will remain open, we have decided to **cancel** excursions for vacation care to minimise any risks to our students. We will remain onsite during the vacation care holidays and using limited outsource provider's e.g yoga, pottering around.

If any concerns please feel free to discuss with OSHC Educators

Thankyou

OSHC Educators
