## Principal's Message

Dear Parents and Caregivers,

We are off to a productive start in Term 2.

During Term 1, our Positive Behaviour for Learning team participated in their initial training session. They have begun engaging with staff, students and parents to develop our comprehensive school-wide behaviour support strategies. We have distributed the first survey, which is also displayed on posters around the school. Your feedback is invaluable, and we encourage you to take a moment to complete the survey.

*(See flyer on the next page)*

This year, we are excited to launch our Student Media Team. Students submitted video applications to join, and throughout the year, they will develop video production skills, experimenting with various shot types and angles. We were thrilled to have a special guest from Capture the Action attend our first meeting last week.

Our Governing Council Annual General Meeting took place last week, and the 2025 council has been established. The Governing Council plays a crucial role in guiding the overall direction of our school.

I look forward to seeing you around the school!

Warm regards,

**Reece Campbell**  
Principal

## Western SAPSASA Cross Country and Sports Day

### Western SAPSASA Cross Country

On Monday 12th May we had 13 students compete in the Western SAPSASA Cross Country Day at West Beach. All students should be very proud of themselves. They represented Hendon showing grit, determination and our school values of Respect, Trust and Kindness by supporting each other and the other schools. Overall, Hendon Primary School finished 3rd in the small school's division. Well done all!

### Sports Day

Sports Day at AFL Max – A Day of Fun, Fitness and Footy!

Last term, students took part in an action-packed Sports Day at AFL Max. The day was full of energy, teamwork and big smiles as students tested their skills across a range of dynamic activities. We heard team chants, saw health hustling, and Hendon students having a lot of fun!

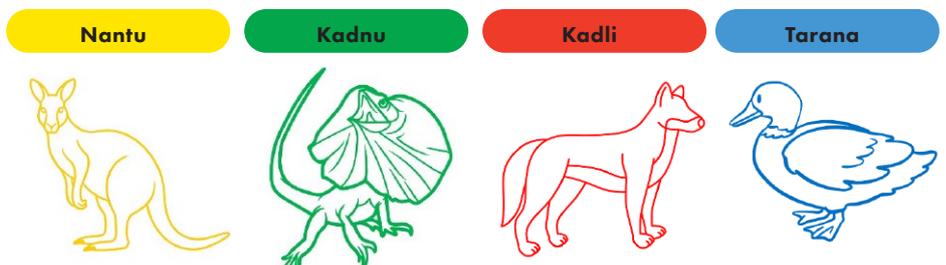

From climbing walls to reaction time challenges and agility zones, every student had the chance to challenge themselves and cheer on their classmates and teams. Students got to enjoy AFL-themed games that combined fitness with fun, learning new skills in a unique and exciting environment.

The atmosphere was electric, with students showing great sportsmanship, courage, and enthusiasm throughout the day.

Well done to all our Team Captains who did an amazing job. We're proud of all our students for getting involved, trying their best, and representing our school with pride.

Congratulations to Kadli (red team), the winners of the 2025 Sports Day. Congratulations to Kadnu (green team) for winning the Spirit Award.

We will have a week-long celebration at Hendon Primary School which will feature buddy class activities, a colouring in competition and an assembly on Friday 30th of May. The assembly will feature a Smoking Ceremony, Aboriginal dance performance and a performance by the Vocal Pop group singing a Reconciliation song written by Jacqueline Anderson.
